

Info Session: ERAfrica 2013 Call for Proposals

Friday, February 15th

12-14.30

Agora C 231

The ERAfrica Joint Call for Proposals will fund collaborative research, innovation, and/or capacity building activities for projects focusing on Africa. Thematic areas of funding are Renewable Energies, Interfacing Challenges, and New Ideas.

The Finnish University Partnership for International Development (UniPID) and the University of Jyväskylä's Research and Innovation Services will hold an Info Session on the 2013 ERAfrica Joint Call for Proposals. The Info Session will give researchers and potential applicants information on the Call, how to apply, and tips for preparing a good application.
